

Learn how to publish from Nature Research editors

Malaysian Rubber Board has access to the *Nature Masterclasses* online course in Scientific Writing and Publishing.

<https://masterclasses.nature.com/online-course-in-scientific-writing-and-publishing/16507840>

The course is taught by editors from the Nature Research journals and covers the entire scientific publishing process – from writing a paper to publication.

Access is available to all students, researchers and staff members. Note that the course focuses on research within the natural sciences.

Registering for the first time:

Register on the *Nature Masterclasses* website:

<https://masterclasses.nature.com/register>

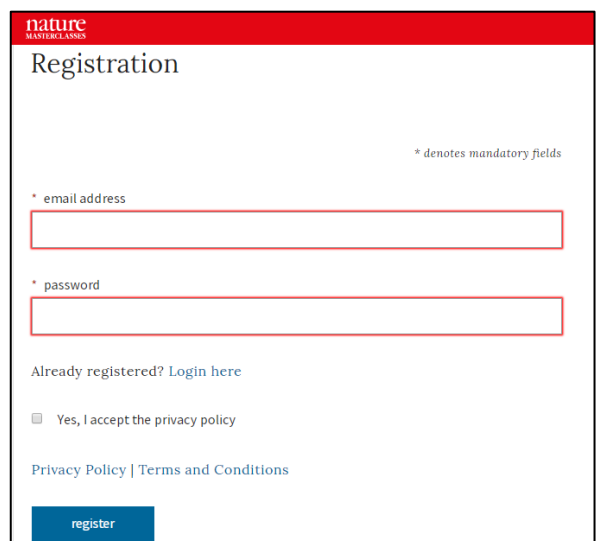

Your course access is tied to your institutional email domain, so ensure you **register with your institutional email address**.

As part of the registration process, you'll receive an email from *Nature Masterclasses* asking you to verify your email address. Once you've clicked the link in the email, your registration is complete.

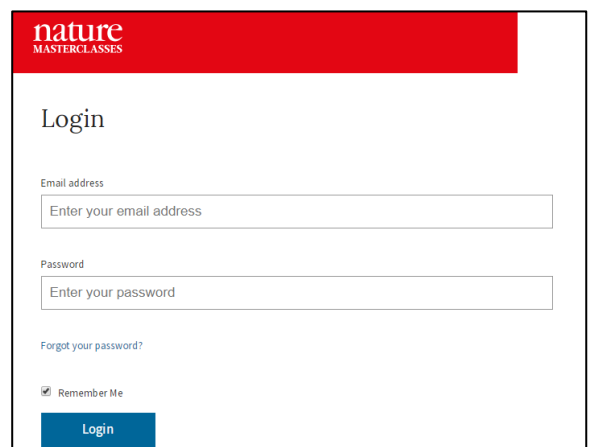

Please note:

The first time you open the course, you'll be asked to enter a few details, such as your name and our institution's name.

Once registered, simply log in whenever you want to access *Nature Masterclasses*.
